“Come; let us worship together.”*

*** Prayer of Dedication**

God of miracles, in the glorious resurrection of Jesus Christ, you overturned natural laws. Thank you for the patience Jesus showed to Thomas who was afraid that it was too good to be true. You still do wonders, transforming people's lives by your Spirit working through disciples like us. Direct our offerings to strengthen the ministries of this church, especially among people who struggle with doubt or feel distant from you. We pray through Christ, our risen Lord. Amen. (John 20:19-31)

<Prayer for Farming>

O God, Source and Giver of all things, who manifests Your infinite majesty, power and goodness in the earth, we give You honor and glory. For the sun and rain, for the manifold fruits of our fields, for the increase of our herds and flocks we thank You. For the enrichment of our souls with divine grace, we are grateful. And we thank you for the farmers who lovingly and dutifully cultivate your creation to provide food for our town. Through Jesus Christ our Lord. Amen

< Blessing for Farmers >

- L: Sing to the Lord with Thanksgiving!
- P: Praise the Lord, sun and moon and all shining stars.**
- L: He covers the heavens with clouds.
- P: He supplies the earth with rain and makes grass grow on the hills.**
- L: He provides food for the cattle and for young ravens when they call.
- P: The earth has yielded its increase; God, our God, has blessed us.**
- L: May God continue to bless us. Let all the ends of the earth reveal Him.
- P: Praise the Lord.**
- L: As our farmers prepare the fields in anticipation of the new growing season, the aromas fill the air, a sign of God's readiness to provide. Make us good stewards of

your creation as we fertilize and work the ground. Bless the soil and those who plow.

P: The earth will yield its harvest; God, our God, will bless us.

L: We marvel at the life-giving power of creation as a seed pops out of the ground and it transforms the landscapes with beautiful colors before our very eyes. Fill our planters with this new life, that we might harvest in abundance. Bless our seeds and those who planted.

P: The earth has yielded its increase; God, our God, has blessed us.

L: As our farmers keep the constant eye on the weather, give us seasonable and peaceful rains from the fountain of goodness. May the corn grow tall, and the beans become bush and green. Bless the source of living water.

P: The earth will yield its harvest. God, our God, will bless us.

L: What a gift it is to hear the tractors running down the highway. What a gift it is to be stuck behind them as they walk down the road. May our farmers be diligent and careful in the maintenance of these gifts of technology. Bless this equipment and those who operate it.

P: The earth has yielded its increase; God, our God, has blessed us.

L: God, we haven't forgotten about our farmers, those who till the soils, plant the seeds, wait for the rains, and operate their equipment. Keep them safe in this planting season and throughout the year. Bless our farmers and those who love them.

P: The earth will yield its harvest. God, our God, will bless us.

L: And all God's people said,

P: Amen.
